About Us

The **Center for Technology, Enterprise and Development (TED Center)** is a nonprofit organization dedicated to supporting the successful development of entrepreneurs, small businesses, and start-up companies. Through a comprehensive range of business support services, the TED Center provides entrepreneurs with the tools, guidance, and resources needed to start, grow, and sustain successful enterprises.

Our programs are delivered through strategic management, expert advisors, and a strong network of partners who work together to help entrepreneurs navigate the challenges of business ownership. By offering training, technical assistance, mentorship, and access to critical resources, the TED Center increases the likelihood that new and emerging businesses will succeed and remain viable over the long term.

Why Sponsor the TED Center GALA?

Sponsoring the TED Center GALA is more than supporting an event — it is an investment in entrepreneurship, job creation, and community economic growth.

By partnering with the **Center for Technology, Enterprise and Development, Inc. (TED Center)** and the **Florida Women's Business Center**, sponsors help expand access to business training, technical assistance, financial education, and resources for entrepreneurs throughout underserved communities.

Your sponsorship helps:

- Support entrepreneurship training and one-on-one technical assistance
- Expand business ownership opportunities for women, minorities, and underserved entrepreneurs
- Help create jobs and stimulate local economic growth
- Increase access to capital, financial education, and business development resources
- Strengthen small business sustainability and long-term community revitalization

Through your support, the GALA becomes a platform for impact — helping entrepreneurs build stronger businesses, families build greater financial stability, and communities move toward lasting economic opportunity.
